WORK EXPERIENCE

Graphic Designer | Junior Frontend Developer (side-project)

EGIS Group

2022 - now

Ensured all communications aligned with company visual guidelines for the Europe and Africa region, demonstrating strong attention to detail and brand coherence.

Collaborated effectively within cross-functional PR teams, showcasing adaptability and a cooperative spirit.

Ai Ps Id Canva

Graphic Designer

BOSS Casino

2018 - 2021

Led the rebranding of the company website and the creation of promotional materials for major conferences, highlighting strong project management and communication skills.

Figma Ps Ai Hand Drawing

Junior Frontend Developer | Designer

Multimedia Nordic AS

2016

Contribute to developing a customized CRM system for a Swedish client. My responsibilities included creating intuitive and responsive user interface, collaborating with the team to implement design specifications, and optimizing frontend performance to meet client requirements.

HTML CSS Bootstrap Ai Ps

Saatchi&Saatchi

2010 - 2015

Graphic Designer

Created advertising materials and visual identities, developing a strong customer-focused approach and an understanding of diverse market needs.

Key clients included major international brands, requiring exceptional professional attitude and the ability to manage high-stakes relationships.
